THE HARVARD

Our history since 1938

The original Royal New Zealand Air Force (RNZAF) Base Wigram Officers Mess was built in 1938 and served officers for decades. It housed the RNZAF Wigram officers' mess and accommodation. RNZAF officers who were based at Wigram dined and imbibed here for decades. During its time it would see royal visits, dining ins, graduation parties, dinners and events for International delegations. Rich in history, we are one of Christchurch's most historic accommodation, event and bar facilities.

The historical recreational areas included the Billiards room, Ante room and Ball Room. Billiards room as infamous for the aroma of cigarettes and aged spirits was exclusive for the officers of the higher ranks. The Ante room was a gathering area for pre & post meal interaction. It has also hosted private and exclusive events (this includes Royal visits by Late Queen Elizabeth II, King Charles III & Princess Diana). The outline of the garden outside the main entrance has been incorporated to look like the wings of an aircraft.

Elegantly renovated in early 2021, RNZAF Wigram No.1 Officer's Mess has a modern style with historic bones, beautiful outdoor gardens and features stunning conference and event spaces with original architectural features. St. Mark's Chapel in the grounds is the ideal venue for weddings and small events.
